THIRTEEN STARS - COUNT THEM!

This flag which we spotted on the way to the Marion parade on July 4th is easily the most unique banner in the area. Mr. John Bates of Route 6, Marion had this 13-star flag on display. He said that he discovered the old glory

MEMBERSHIP DRIVE

Membership committee of the Mattapoisett Woman's Club under the direction of Mrs. Frank A. Oxnard, chairman, has launched a drive to obtain new members for the club. Mrs. Oxnard has prepared a twelve page brochure which will be given to all prospective members. According to Mrs. Oxnard the brochure covers the educational, philanthropic, civic and social goals of the club as a whole.

Personal calls will be made on women of Mattapoisett who show interest in the club and who wish to find out about its activities. Members are asked to turn in names of newcomers in their neighborhood to the committee member serving

Mrs. Leonard A. Burnham, president of the club, pointed out that unlike many clubs, the Mattapoisett organization is open to any women in Mattapoisett interested in becoming a member. The club needs former members and new members in order to expand its growing list of group activities, she asserted. Groups for the coming season as planned will be American Home, Drama and Literature, Community Service, Music, Legislative, Veterans' Service, Bowling and Education and Scholarship. Bridge group, which will meet weekly every Wednesday morning, will be open to the public. Proceeds from the bridge parties will go to the club's scholarship funds. The club is affiliated with the Massachusetts Federation of Women's Clubs and the General Federation of Women's Clubs.

ted to the decay of the basic design. The transformation now in progress on Church Street is the best show in town. The ugly porch was first to go. This step alone revealed the simple colonial lines of the house and for the first time in years the beautiful old door casing could be seen. New, small pane windows next added character. Daily the ugly shell was stripped away and replaced by evening with a new shining exterior. The new clapboards no sooner were in place then they were painted. Saturday the pastel blue shutters and gold ornamental touches around the door made a dramatic change. This "white elephant" has emerged as one of the truly stately homes of Mattapoisett. Howard Bates has shown the magic touch of good taste in this restoration which has held the attention of every passer-by.

This transformation is one of a continuing series that is changing the face of the town. This is the most dramatic because of the condition at the start and the location but in every part of the town a powerful chain reaction of individual pride and effort is restoring and renewing the old homes. We are fortunate to be surrounded by natural beauty which has attracted people who appreciate it and, in turn, they have used good taste in changing the man made surroundings.

Funds raised by an enthusiastic and dedicated group of workers in this once only Drive will allow program planning in several phases of the arts for a year. Hereafter dues will sustain the Art Center. Membership, it is stressed by the many people working on this project, is open to all who are interested in the activities offered by the Art Center. BASEBALL NOTES

In Little League games last week, the Reds beat the Cubs 2 to 1, Blues 8 Eagles 7 and Rochester downed the Greens 2 to 1.

Tony Spark bested Lee Haywood in a pitching duel in the Reds-Cubs game striking out ten batters. Peter Trow was the winning pitcher in the Blues-Eagles game which was featured by the home run hitting of Jonathan DePina. With the Eagles leading in the last inning, De Pina delivered a clutch homer with a man on base to sew it up for the Blues. The Rochester-Greens game was the best played game of the season in which Scott Hinchcliff bested Phil LaFrance in a pitcher's battle. Rochester scored the winning run in the top of the sixth inning.

All games were rained out on Thursday evening and will be made up at a later date.

Looks as if this second half will not be decided until the last game as there are two teams tied for second place with the others close. Any one of the six teams is capable of beating the other on any given evening.

With five games remaining the standings are:

	Won	Lost	Pct.
Greens	4	1	800
Blues	3	2	600
Rochester	3	2	600
Eagles	2	3	400
Cubs	2	3	400
Reds	1	4	200

Richard DeMello was selected on the All Star Pony League team and will play the center field position.

The Ladies Auxiliary of the Athletic Committee put on a very successfull auction at Shipyard Park, July 4th. This well managed affair raised $254.09 for the Athletic Fund. Led by Betty Trow, assisted by Sophie LaFrance, Jane Pepin, Gail Almeida, Kay Macomber and Fern Mogilni, the ladies did a bang up job. Bud Trow, Lou Pepin and Joe Marcosa assisted in the picking up of the articles to be auctioned. Pony and Little Leaguers also helped. Mike Ellis and Oliver LaFrance auctioneered. A food sale was also held with the young girls of the softball league assisting at the food table.

TOUR OF HOMES IN MARION

July 29th the newly formed Sippican Historical Society is planning a tour of some of the more interesting homes with a colorful past in Marion.

Mr. and Mrs. Egbert Driscoll's rambling old house with its ship stairway was built by a Blenkinship in 1812.

The oldest part of Mrs. Herbert Newbury's house is her quaint old kitchen built about 1807.

The home of Mr. and Mrs. Fred Cobb was the first parsonage in Sippican Village built in 1799 for Mr. Cobb's great-grandfather, the Rev. Oliver Cobb. (From 1799-1841 he preached in the First Congregational Church in the building that is now the General Store.)

The Ross Whittier house on Main Street was built in 1780 when the lower part of this street was called "Wharf Village"---a small section of Sippican Village. (Three well known men

nave lived there: Richard Harding Davis, President Franklin Delano Roosevelt and Admiral Richard Byrd.)

Wallace Keith's house was built by a Captain Hathaway soon after the year 1820.

Miss Elizabeth Richardson's house was built in "Wharf Village" in 1760 and still retains the charm of those early days. (Charles Dana Gibson, famous for the Gibson Girl, rented this house for a few seasons.)

In East Marion Mr. and Mrs. Charles Winkler's house called "The Bunker" was built a great many years ago. The oldest part of the house dates back to the year 1715.

"Shore Farm" on Delano Road, the home of Mrs. Henry Osborn, was built by a Captain Delano very early in 1700.

Mrs. Lawrence Somers, founder of the Sippican Historical Society, is in charge of this tour together with Mrs. Paul Burdett. Able assistants include Mrs. Hugh Hencken and Mrs. Parker Converse.

Mrs. James Arne is responsible for refreshments to be served in the Congregational Church Chapel. Mrs. James Wickenden is in charge of hostesses. Mrs. Bronson Tucker and Mrs. Henr Osborn are in charge of fliers and printing. Mrs Julie Race is helping with publicity.

THE WRECKING CREW

The candidacy of Governor Scranton has demonstrated all of the buoyancy of a lead balloon for two reasons. Governor Scranton distinguished himself principally in his eloquent and repeated rejection of the idea of running for President while the voters had a choice during the primary campaigns. Then, some very powerful strings jerked this reluctant dragon into the political arena. It is significant that Governor Scranton was, even then, not running for President. He engaged in tearing down the man who won the primaries and the delgates in order to inherit the ruins. This is the sole reason. If he can topple Senator Goldwater, Governor Scranton will have achieved two goals. He will have crushed the conservative movement which is young and growing, and he will preserve the power of the established group of socialistic leadership. This leadership is confronted by Goldwater who is a man of conviction and conservative Constitutional philosophy; a man of the opposition who can't be controlled. The fact that Goldwater has a base of strength that stems from both political parties and indepen-

dents, that he can present an alternative to the socialism of the administration, that he can effectively face the administration, present a clear choice and win, makes it imperative that he be stopped. In this way the socialist wing of the party will lose the election but save their control over the Republican party. Scranton is their dragon and it is Dewey, Rockefeller and Co. who pump fire through his pipes. In this, they are receiving the most massive aid ever generated to destroy a political figure. Every major news source in the country is enthusiastically engaged in the campaign to destroy Goldwater and to so set up a push over for the Administration to face in November. DCJ
